

Lorne Street Cable Duct Bank Construction

**PROJECT DESCRIPTION**

Robert B. Somerville, in partnership with Black and McDonald Limited, completed the installation of the Lorne Street Cable Duct Bank Construction in the Spring of 2012 under a strict timeline of 3 weeks. Preceding the streetscape construction on Lorne Street, Robert B. Somerville completed the installation of 200m of 9-way duct bank installation under the sidewalk from 11th Avenue to 12th Avenue. During this installation, 3 precast manholes were installed while maintaining street and business access.
