

PROJECT DESCRIPTION

Project is to replace existing steel mains and services in the Mural Crescent area of St Albert. Area is primarily residential. Project involves installation of 400m of PE mains up to 2" and 27 services. New mains and services will primarily be installed by directional drilling. Also involved with the replacement of service lines is to move any existing inside gas meter to the outside of the building. Inside gas meter work will consist of residential houses with 200 series meters.
